

## Moving You in the Right Direction!

IMTC, the country's most experienced provider of DHS/USFA All-Hazards IMT courses, features an exclusive cadre of nationally respected Position-Specific instructors who are leading subject matter experts and are the designated Train-the-Trainers teaching all new instructors how to present the new NIMS/ICS Position-Specific curricula. Each is a tested national advisor in incident management and a proven instructor. Together they represent almost a millennium of front line training experience with these courses and their antecedents, a combination of experience and expertise that delivers an exceptional learning experience to participants and delivers proven value for their agencies.

### Every IMTC Position-Specific Instructor:

- Meets or exceeds every instructor qualification for Position-Specific courses
- Is a successful teaching veteran of EMI Position-Specific courses
- Recently completed deployments in All-Hazards Type 1, 2, or 3 incidents performing the roles being taught
- Has been approved through the DHS/EMI All-Hazards Position-Specific Training Course Manager
- Offers unique teaching skills tested and proven in course design and Train-the-Trainer courses
- Possesses decades of course-relevant command level experience, a nationally respected NIMS/ICS/AHIMT teaching background, and trusted AHIMT/ICS instructional design credentials
